

UK ROCK CHALLENGE®

and the

MAYOR OF LONDON

UK Rock Challenge® with its drug-free-high ethos joins forces with the Big Dance and on the 8th July will be bringing Rock Challenge® to life at the Scoop, next to City Hall, London.

Throughout the day there will be spectacular performances from schools right across the country plus live link-ups to Australia and New Zealand, but our main aim is to break the record for leading the biggest dance class.

On the day come and marvel at what the young people of today can achieve, be entertained, and join us at 1pm to smash the record and dance on London's South Bank!

For further details please contact UK Rock Challenge® producer Zoie Golding on zoie@rockchallenge.co.uk or by phone on 07710 060798.

The day's activities begin at 11am, the record attempt is at 1pm, and the day ends at 4pm - come and join us !
